

David Cassidy Net Worth, Career And Achievements

David Cassidy was a well-known American actor, singer, and songwriter who achieved great success during his career in the entertainment industry. Born on April 12, 1950, in New York City, David rose to fame during the 1970s with his role in the popular television series, *The Partridge Family*. Over the years, David became known not only for his acting talents but also for his impressive musical abilities. Unfortunately, David passed away on November 21, 2017, at the age of 67, leaving behind a legacy of memorable performances and hit songs. In this article, we'll explore [david cassidy net worth](#) and take a closer look at his career and achievements.

Career

David Cassidy's career began in the early 1970s when he was cast in the lead role of Keith Partridge in *The Partridge Family*. The show followed the adventures of a family of musicians who traveled around the country in a brightly painted bus, playing their music and entertaining audiences. David's role as Keith quickly made him a teenage heartthrob and propelled him to stardom. The show was a huge success, running for four seasons and creating hit songs such as "I Think I Love You" and "I Can Feel Your Heartbeat."

During his time on *The Partridge Family*, David also pursued a career in music. He released a number of successful albums, including *Cherish*, *Rock Me Baby*, and *Cassidy Live!* His music was well-received by both critics and fans, and he became known for his powerful vocals and catchy tunes. He was extremely successful, and the sales of his music albums added significantly to **david cassidy net worth**.

David's popularity continued to grow, and he became a regular fixture on the covers of teen magazines such as *Tiger Beat* and *Seventeen*. After *The Partridge Family* ended in 1974, David continued to act and perform. He appeared in a number of television shows and movies, including *The Love Boat*, *Fantasy Island*, and *Ruby and the Rockits*. He also continued to release albums and perform live, touring extensively throughout the United States and around the world.

Despite his many successes, David also faced personal challenges during his career. He struggled with alcoholism and drug addiction, and his relationships with family members and romantic partners were often difficult.

Net Worth

At the time of his death, **david cassidy net worth** was estimated to be approximately \$500,000. While this may seem like a small amount for someone who achieved such great success during their career, it's important to note that David faced a number of financial challenges throughout his life.

In the early years of his career, David was reportedly underpaid for his role on *The Partridge Family*. According to some reports, he earned just \$600 per episode during the first season of the show, despite his rising popularity and the success of the series. While he did negotiate a higher salary in later seasons, he was still earning far less than some of his co-stars.

David's financial struggles continued in the years after *The Partridge Family* ended. He reportedly spent large amounts of money on drugs, alcohol, and lavish purchases such as cars and homes. He also faced a number of legal issues, including several arrests for driving under the influence and a high-profile bankruptcy filing in 2015.

Despite these challenges, David's music and acting careers remained successful throughout his life. He continued to tour and release albums, and his music remained popular with fans around the world. In addition, he was able to generate income through appearances on television shows and other public appearances.
